FAFSA Workshop

by McKenzie Wirtz

Let's be honest, applying for Federal Student Aid can be very intimidating! MCCTC Adult Career Center is here to help! Join us for a FAFSA Workshop and learn... [Continue Reading](#)

Space Heater Safety

by John Lightly

As the weather changes and the

thermometer starts to dip lower, many consumers will be turning up the dial on their space heaters to fight off the chill. These simple, easy to use devices are a cost-effective way to improve the warmth in our homes, but when used improperly... [Continue Reading](#)

Friday Night Cooking Class Returns this January

The New Year has your body craving balance. Learn how to set your body right with nutritious, heart healthy dishes that won't have you tied to the kitchen. Instruction will include discussions about nutrition and how the food we eat can benefit our bodies. This course will teach you how to prep and prepare enough food for dinner and have enough leftovers for lunch. [Click for course details.](#)
