Thank you for your participation in the 2018 data collection.

SAFETY

Safety is a major concern at the Mahoning County Career and Technical Center. All instructors are required to review safety procedures with their classes. This is a very important part of each course curriculum. The Mahoning County Career and Technical Center will adhere to the industrial safety standards set up by Federal Occupational Safety and Health Act (OSHA), all appropriate laws established by the State of Ohio, and local regulations. **Students may be suspended for violations of safety standards set in the individual laboratories, classrooms and on the campus.**

ONE CALL NOW – NOTIFICATION SYSTEM

The Adult Career Center utilizes the One Call Now automated school notification systems to send recorded voice messages to students, teachers, and staff. The ACC will promptly notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on campus, unless issuing a notification will compromise efforts to contain the emergency.

EMERGENCY MEDICAL FORMS

All students will be requested to fill out an Emergency Medical Form providing information including whom to call in case of an emergency. This information will be kept on file in the Adult Career Center office. Without this information, the school can take no action in case of a medical emergency. **It is the student's responsibility to update the medical file as necessary during the training period.**

EMERGENCY CARE

All emergencies must be reported to the Business Office to the Administrator or security personnel on duty.

LOCKDOWNS

All students and staff are directed to and secured in locked rooms, out of sight and sound from persons in the hallway. Students will stay in the classroom until released by an Administrator or public safety official. In an active shooter situation, the Adult Career Center will use the A.L.I.C.E. (Alert, Lockdown, Inform, Counter, Evacuation) program. More information about A.L.I.C.E. can be requested at the Adult Career Center office.

FIRE AND TORNADO

Periodic drills will be held during the day throughout the year. Specific instructions are posted in each room. Students shall follow the specific instructions.

In the event of a fire or fire drill, all persons must quickly gather personal belongings and exit the building. Instructions are posted above the entry door in every classroom. Please read these instructions. Each instructor will review them with his/her students. Leave all lights on. Exit the building as rapidly and as orderly as possible.

In case of a tornado drill, an announcement will be made over the PA system. This system is designed to function even in the event of a power failure. Students are requested to follow the directions of their instructors and move quickly to their assigned areas. Designated areas are posted in each classroom. **In the event of a tornado County tornado sirens** notify individuals on campus.

In the event of an energy blackout, the school is equipped with an emergency generator. There might be a 30-60 second delay in activating the system. Remain calm and patient but do not leave your room. If power is not restored, school personnel will assist students in exiting the building.

In the event of a national disaster, the district lockdown procedures will be followed. Classroom instructors will inform students of these procedures.

EARTHQUAKE

Upon the first indication of an earthquake, teachers should direct students to DUCK, COVER AND HOLD.

Follow the procedures listed below for all earthquake events:

1. Avoid glass and falling objects. Move away from windows, heavy suspended light fixtures, and other overhead hazards.
2. When the shaking stops, an Administrator will issue the EVACUATE BUILDING action. Use prescribed routes from the current fire drill procedures or other safe routes and proceed directly to the Assembly Area. Teachers shall notify the Student and Staff Accounting Team of missing students.
3. Avoid touching fallen electrical wires.
4. The First Aid Team will check for injuries and provide appropriate first aid.
5. An Administrator will direct the Maintenance and Utility Team to notify the appropriate utility company of damages (e.g., gas, power, water, or sewer).
6. If the area appears safe, the Fire/Rescue Team or other personnel will make an initial inspection of school buildings.
7. An Administrator will contact the district Superintendent to determine if additional actions are deemed necessary.

PERSONAL SAFETY TIPS

The Adult Career Center encourages students and employees to be responsible for their own security and the security of others. Follow these practical safety tips to further protect yourself:

STUDENT CODE OF CONDUCT

The Mahoning County CTC strives to provide students with the opportunity and motivation to learn. Students attending our school have the right to expect educational opportunities free from disruption. This implies an obligation to be aware of the rights of others, to be responsible for maintaining acceptable behavior while attending school and all school related activities, and to be responsible for the consequences of their actions.

MCCTC Adult Career Center will not tolerate any form of violence, disruptive, inappropriate or criminal behavior. A violation of any rule may result in disciplinary action. Discipline will be administered in a fair and just manner.

This code of student conduct sets down those guidelines that the school expects its citizens to follow. All students must adhere to this code of conduct. These guidelines are in force during any school-related activity, on or off campus, or while the student is on an externship for their program.

The Board of Education has "Zero Tolerance" for violent, disruptive, inappropriate or criminal behavior by its students.

PROCEDURE FOR REPORTING CRIMES

The Adult Career Center (ACC) is committed to creating and maintaining a professional, safe learning environment. To help us accomplish this, we ask anyone who is a victim or witness to **accurately and promptly report any instance of inappropriate or criminal conduct, violations of school rules and/or local, state or federal laws to the Supervisor or Administrator on duty, campus security personnel or the Canfield Police Department (330-533-6809).**

Based on an understanding with local law enforcement authorities, crimes committed on campus or school related events/activities within the city limits of Canfield will be reported to the Canfield Police Department without unnecessary delay. If occurring during the day, the report may be made to the School Resource Officer (SRO). Crimes committed at school events/activities outside of the City of Canfield should be reported to the law enforcement agency with jurisdiction or by calling 911. The ACC will monitor and record through local police agencies any criminal activity in which a student engaged in at an off-campus location during school sponsored activity.

If a victim of a crime is unable to make a report to the appropriate law enforcement agency the Supervisor, Administrator or security personnel will carry out prompt and accurate reporting of the crime to the appropriate law enforcement agency.

Any crime scene should be secured and evidence protected for the police. Do not disturb the scene. Upon their arrival police may want to photograph the scene and also photograph any injuries. If a weapon was used or any object was used as a weapon, leave it in position and do not touch it. All contraband must be turned over to the police.

Any person violating school policies by threatening and/or endangering a school employee or a fellow student will be immediately removed from class and reported to the Canfield Police Department (CPD).

The ACC shall make timely reports to the campus community on crimes considered to be a threat to other students and employees that are reported to security personnel or local law enforcement agencies. Such reports, that withhold the names of victims as confidential, shall be provided to students and employees to aid in the prevention of similar occurrences.

The ACC will evaluate requests for confidentiality in the context of the institution's responsibility to provide a safe and secure environment. All reports received, including confidential reports, are to be included in the annual disclosure of crime statistics. The ACC will protect the confidentiality of victims by excluding identifying information about the victim from publicly available records to the extent permissible by law.

School officials may apply sanctions in cases of criminal misconduct, which may include, but are not limited to: suspension, termination, or restitution for school property and damages.

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics are published annually in the Student Consumer Catalog. Adult students receive a printed copy of the Student Consumer Catalog prior to their program start each year. Students sign an Enrollment Agreement to indicate they have received, read and understand the catalog's policies and procedures. The Student Consumer Catalog is available to the public online at www.mahoningcc.com. Students and staff are notified when updates are made to the policies or crime statistics.

The Board prohibits anyone to be under the influence of or to use, possess, manufacture, conceal or distribute any drug on school property or at any school related function.

"Drugs" shall mean:

- All dangerous controlled substances as so designated and prohibited by local, state and Federal statute
- All chemicals, which release toxic vapors
- All alcoholic beverages

Anyone found to be in violation of the regulations regarding drug free schools shall be subject to disciplinary action including termination from the program and referral for prosecution consistent with local, state and federal law.

Drug Prevention Policy

The Adult Career Center recognizes the serious societal problem of alcohol/drug abuse and dependency. They further recognize that the dependency stage of chemical abuse is a primary illness, which is treatable.

Although health problems of society are primarily the responsibility of the home and community, schools share in the responsibility because the problems related to chemical abuse interfere with behavior, learning, and the attainment of an individual's fullest possible development.

Schools have an important role in the early detection of chemical use, abuse, and dependency. They also have a role in the protection of students from the promotion and sale of alcohol and non-prescribed drugs. A counselor is available to assist students as well as staff having difficulty with drug or alcohol abuse. Referrals will be made to agencies involved with drug or alcohol abuse rehabilitation. A listing of local and national agencies is provided in the section below titled "Resources for Alcohol and/or Drug Counseling Treatment or Re-Entry Programs."

Health Risks

Use of illegal drugs may result in any or all of the following: central nervous system disorder, paranoia, hallucinations, impaired memory, loss of energy, lack of concentration, increased heart rate, increased blood pressure, anxiety, insomnia, depression, and other health problems.

Legal Sanctions

All students and staff members realize that illegal possession or distribution of drugs carries with it the potential for legal action. Penalties for the possession, distribution, or manufacture of illegal substances vary. Convictions result in mandatory fines for less serious infractions to mandatory prison terms for more serious charges. Specific penalties can be found in the Ohio Revised Code Chapter 2925, Sections 2925.01 through 2925.37. Copies are available in the Adult Career Center office or online at www.state.oh.us. VIOLENCE AGAINST WOMEN ACT

On March 7, 2013, President Obama signed The Violence Against Women Reauthorization Act (“VAWA”), which focuses on improving the criminal justice response to violence against women. VAWA enhanced accountability for Colleges to educate students and prevent gender based violence. Additional rights were afforded to campus victims of domestic violence, dating violence, sexual assault, and stalking.

Compliance with these provisions does not constitute a violation of section 444 of the General Education Provisions Act (20 U.S.C. 1232g), commonly known as the Family Educational Rights and Privacy Act of 1974 (FERPA).

SEXUAL ASSAULT, SEXUAL HARASSMENT, STALKING, DOMESTIC VIOLENCE, DATING VIOLENCE

All persons associated with the District, including, but not limited to, the Board, the administration, the staff and the students, are expected to conduct themselves at all times so as to provide an atmosphere free from incidents of sexual assault, sexual harassment, stalking, domestic violence and dating violence. Any incident, whether verbal or nonverbal, occurring inside or outside of District buildings, on other District-owned property or at school-sponsored social functions/activities, is illegal and unacceptable and will not be tolerated. Any person who engages in an incident while acting as a member of the school community is in violation of this policy.

The Board has developed complaint procedures which are available to every member of the school community. The Board has also identified disciplinary penalties which could be imposed on the offenders.

If you are a victim of a sexual assault, sexual harassment, stalking, domestic violence or dating violence at this institution, your first priority should be to get to a place of safety. You should obtain the necessary medical treatment even if you do not intend to report the assault. Prior to medical treatment/exam it is important not to bathe, shower, change one’s clothes or disturb anything at the crime scene. The Adult Career Center strongly advocates that a victim or witness of any incident report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. **An incident that took place on campus should be reported directly to security personnel or the Administrator on duty in the Adult Business Office,** who will assist the victim in reporting the incident to the Career Transitions Supervisor (CTS). All reporting is on a voluntary and confidential basis. Filing a report with the CTS will not obligate the victim to notify law enforcement authorities, prosecute, nor will it subject the victim to scrutiny or judgmental opinions from the school. When a report is filed the ACC will provide the victim with a written explanation of his/her rights, resources and options. The school will assist a victim/survivor in notifying the proper law enforcement authorities if requested. Filing a police report will:

- a. Ensure that a victim receives the necessary medical treatment and tests.
- b. Provide the opportunity for preservation and collection of evidence helpful in prosecution, which cannot be obtained later.
- c. Assure the victim has access to confidential counseling from counselors specifically trained in the area of crisis intervention.

Victims or witnesses of sexual assault, domestic violence or dating violence should take steps to preserve evidence that may aid in obtaining a protective order or any administrative action and/or criminal prosecution that may result. Items that may serve as evidence include, but are not limited to: voice mails, emails, text messages, social media messaging, notes, or other correspondence that may be relevant. Depending on the situation, clothing worn by the victim and/or the accused may also be needed as evidence and should be preserved in its original state. Do not disturb the scene of the incident as police may want to photograph the scene.

If you are not sure what to do, you are encouraged to reach out to the Career Transitions Supervisor or any of the resources identified in the “*Resources for Victims of Sex Offenses*” section later in this catalog.

Institutional Response to a Reported Sexual Assault, Sexual Harassment, Stalking, Domestic Violence or Dating Violence

Upon receiving information regarding sexual assault, stalking, domestic or dating violence, the Career Center may offer support to the victim, share options with the victim, encourage the victim to seek medical attention and/or counseling, and/or encourage the victim to file reports with the appropriate law enforcement authority. The Adult Career Center will follow up with reports of alleged misconduct that are brought to the attention of school officials in accordance with prescribed policies and the Student Code of Conduct. Alleged victims will be asked to provide information regarding the allegation. Whether the offense occurred on or off-campus, school officials will provide the victim with a written explanation of his/her rights, resources and options.

When the CTS is contacted, the Supervisor will assist the victim in notifying local law enforcement authorities if the victim so chooses. The victim may choose for the investigation to be pursued through the criminal justice system. Law enforcement officers will guide the victim through the available options and support the victim in his or her decision.

All matters in regard to an incident, including the identity of both the charging party and the accused, are kept confidential to the extent possible.

Assistance will be made available in changing academic or externship situations after an alleged incident, if requested by the victim and if these changes are reasonably available regardless of whether or not the victim chooses to report the crime to local law enforcement. Students wishing to exercise this option should contact their Program Coordinator.

In addition to any criminal or civil remedies available under the law, any act of dating violence, domestic violence or stalking is a violation of and is subject to disciplinary proceedings under the ACC's Student Code of Conduct. The range of penalties shall include, but are not limited to: alteration of program schedule and/or externship site, loss of privilege, restitution for school property and damages, suspension, and termination.

The ACC disciplinary action proceedings shall provide a prompt, fair, and impartial investigation and resolution. The CTS is vested with the authority and responsibility for investigating all complaints in accordance with the procedures set forth by the MCCTC District. The accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding. A preponderance of evidence standard is applied. Both the accuser and the accused will be simultaneously informed in writing of the outcome of any institutional disciplinary proceeding. The accused and the accuser may appeal the results of the institutional disciplinary proceeding in writing to the CTS. Both the accuser and the accused will be informed of any change to the results that occur prior to the results becoming final and will be notified in writing when the results are final. Although discipline may be imposed against the accused upon finding guilt, retaliation is prohibited. Retaliation against a victim or any other party involved in submitting a report is prohibited and the Adult Career Center will respond to allegations of this type of behavior. Students are strongly encouraged to notify an administrator should this behavior occur.

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed by institutions of higher education. Federal law requires state law enforcement agencies to provide institutions of higher education with a list of registered sex offenders who indicate that they are enrolled at or employed by those institutions. This is available from the Career Transitions Supervisor. In addition, information on registered sex offenders is available at www.mahoningsheriff.com.

The CSCPA further amends the Family Educational Rights and privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders. This statement is provided in compliance with the Campus Sex Crimes Prevention Act of 2000.

Definitions

Stalking: Means engaging in a course of conduct directed at a specific person that would cause a reasonable person to: fear for his or her safety or the safety of others; or suffer substantial emotional distress. In Ohio, stalking is defined as a pattern of conduct (two or more incidents in a short period of time), that is unwanted and causes mental distress. A broader definition of stalking: stalking is willful, malicious and repeated harassing or threatening of another person through activities such as following the individual, showing up at her/his home or workplace, sending unwanted messages (including e-mail or text messages) or objects, vandalizing property or making harassing phone calls. Telecommunications harassment (sometimes called "cyber stalking") is a crime under Ohio law. It is the use of e-mail, internet, instant messaging, social media, or other electronic devices to harass or abuse another person.

Domestic violence: Means a felony or misdemeanor crime of violence committed by: a current or former spouse or intimate partner of the victim; a person with whom the victim shares a child in common; a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies; or any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

EDUCATION AND PREVENTION

MCCTC will present primary prevention and awareness programs for new students and new employees, in addition to on-going awareness campaigns related to prevention of sexual assault dating violence, domestic violence, and stalking for all students and employees.

BYSTANDER INTERVENTION

Simply put, a bystander is somebody who observes an act of violence, discrimination or other unacceptable or offensive behavior.

Who are Bystanders?

Everyone is a potential bystander. However there are different types of bystanders. A bystander may choose to ignore the situation (i.e. passive bystanders), engage in the situation in a way that stops it (i.e. active bystanders), or engage in the situation in a way that exacerbates the situation (i.e. participants) (Adopted from the Prevent Connect Wiki)

What is Bystander Intervention?

We all have an important role in preventing sexual violence when we are confronted with problematic situations. Being an active bystander can include:

- Speaking out against statements, attitudes, or behavior that may perpetuate a culture endorsing violence as acceptable or inevitable
- Naming and stopping situations that could lead to a sexual assault
- Stepping in during a high-risk incident, whether by disruption, distraction, speaking up, or even calling for help so others can step in.

- Supporting and believing others when they feel uncomfortable or hurt
- Helping others respond to problematic situations

The goals of bystander intervention are manifold. While bystanders must ultimately be equipped with skills to be effective and supportive allies before a sexual assault ever takes place, bystanders must also be taught when to intervene and why. We all have a responsibility to derail and interrupt violence and violence-condoning attitudes on campus. Research shows that bystander intervention is a promising practice to help prevent the national public health problem of sexual assault on college campuses.

A Typical Bystander...

According to Latané and Darley (1970), a bystander goes through the following five phases before determining their course of action (to intervene or not):

1. Notice the situation
2. Interpret the situation as requiring intervention
3. Assume responsibility for intervening
4. Deciding how best to help
5. Confidence in capacity to help

An Active Bystander...

Commonly refers to the individual who takes the action to intervene in response to the observed incident. Being an active bystander does not mean that you should risk your personal safety, or that you need to become a vigilante. There are a range of actions that are appropriate, depending on you and the risky situation at hand. Remember, if you are ever worried for the immediate safety of yourself or others, you can decide to leave the situation and seek outside help – that's still bystander intervention!

The Ideal Bystander...

- Approaches everyone as a friend.
- Is honest and direct whenever possible.
- Tries to de-escalate the situation before it is a crisis.
- Avoids using violence as a means of intervention.
- Refrains from antagonizing or accusatory actions when possible.
- Asks for help from others present when needed.
- Knows when to call for professional assistance (Security, 911, Ambulance, Administrator).

CAMPUS CRIME STATISTICS

Classification and Definitions

Burglary vs. Larceny: An incident must meet three conditions to be classified as a burglary.

- There must be evidence of unlawful entry (trespass). Both forcible entry and unlawful entry – no force are counted.
- The unlawful entry must occur within a structure, which is defined as having four walls, a roof, and a door.
- The unlawful entry into a structure must show evidence that the entry was made in order to commit a felony or theft. If the intent was not to commit a felony or theft, or if the intent cannot be determined, the proper classification is larceny.

Destruction, Damage, or Vandalism of Property: To willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

Hate Crimes: Crimes of larceny-theft, simple assault, intimidation, and destruction, damage, or vandalism of property, and of other crimes involving bodily injury to any person, in which the victim is intentionally selected because of the actual or perceived race, gender, religion, national origin, sexual orientation, gender identity, ethnicity, or disability of the victim.

Intimidation: To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

Larceny-theft (except motor vehicle theft): The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. Attempted larcenies are included.

Simple Assault: An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or a loss of consciousness.
