

# An introduction for students and families for the 2017-2018 school year

# What is College Credit Plus?

# A State Funded Opportunity to Earn College Credit

- College-ready students
- Grades 7 12
- Many college course options
- Public colleges are free
- Private colleges may include small cost

### College-readiness determined by college.

### **Apply and Get Admitted**

Participate by getting admitted into a college.

May have to take a placement test and satisfy other college criteria.

#### **Student Choice**

You choose the course(s) that fit your pathway. Each must be secular, apply toward a degree or workforce certification and confer college credit.

### **Graduate with College Credit**

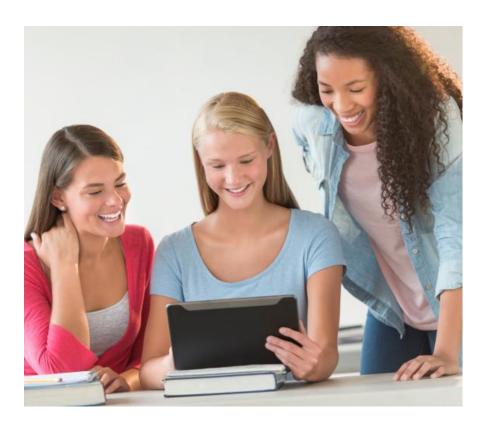

You can earn up to 30 college credit hours per academic year; includes summer term.

Your counselor will tell you your specific credit eligibility.

No more than 120 college credit hours while in the program.

# **Summer Requirements**

CCP will include summer term courses beginning in 2016.

Rules governing summer enrollment are expected to be in effect mid-February 2016.

# **Summer Requirements**

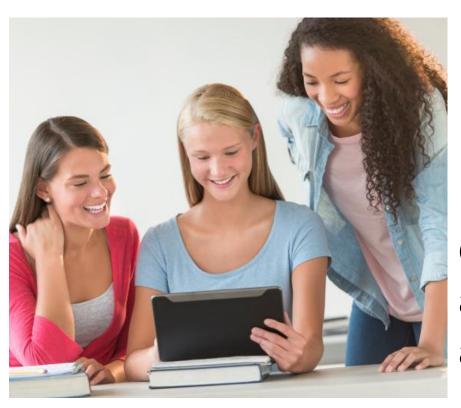

Summer term will apply as the 1st term of the next school year.

A college's summer term may begin in May. There may be multiple sessions within a summer term.

# **Summer Requirements**

If you want to participate in summer term, you must submit your letter of intent to participate early enough to apply and gain admission to the college and register for course(s) in the spring.

# Nonpublic and Home School Students must:

1. Submit your letter of intent to participate

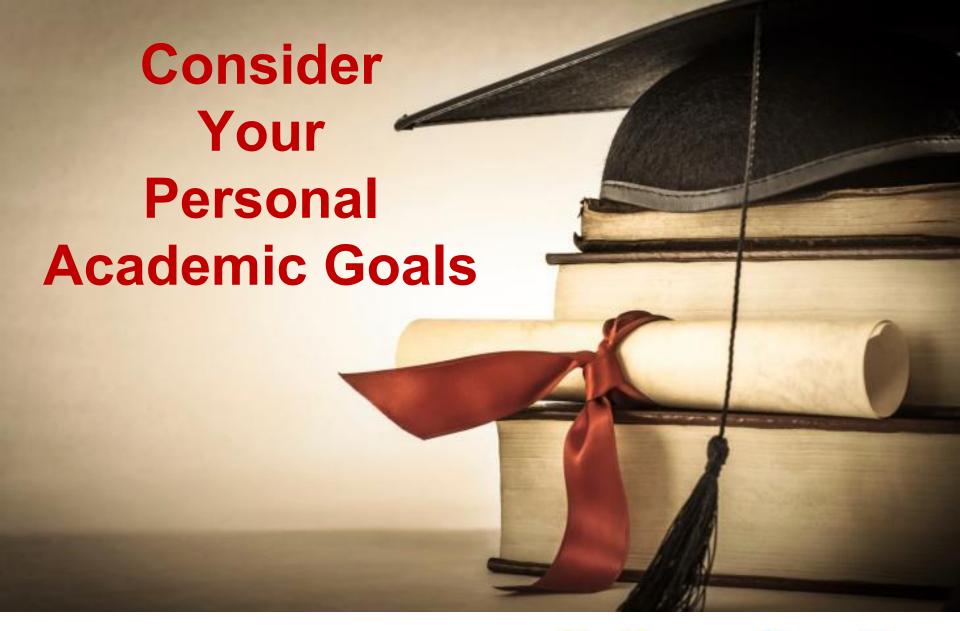

2. Gain admission to the college

3. Apply for and be awarded state funding

State funding will be awarded in May.

If you choose to register for courses before funding awards are made, you will have to self-pay or drop the course(s) if you are not awarded funds.

### Find the Colleges and Courses that Fit

Counselors and Advisors can help you select courses for your pathway.

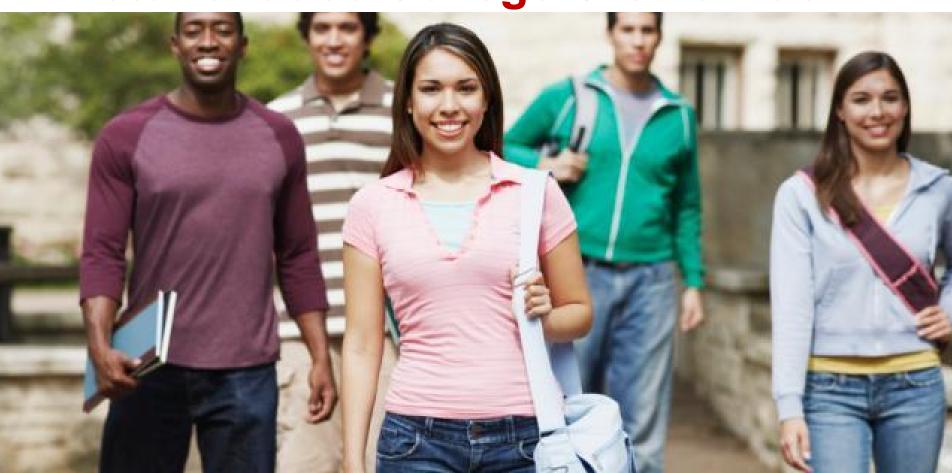

A semester college course of 3 or more credits counts as a one-year high school class.

# Under what scenarios can a qualified student use College Credit Plus?

You want to take college courses to satisfy your high school graduation requirements.

You completed your high school graduation required classes and you want to begin college work.

You want to explore college and take a course in a subject that interests you.

#### **Books and Fees**

Students attending a public college do not pay for either books or fees.

Students attending a private college may have a cost that includes books and fees.

# **Student Covers Parking Expenses**

### **Weighted Grades**

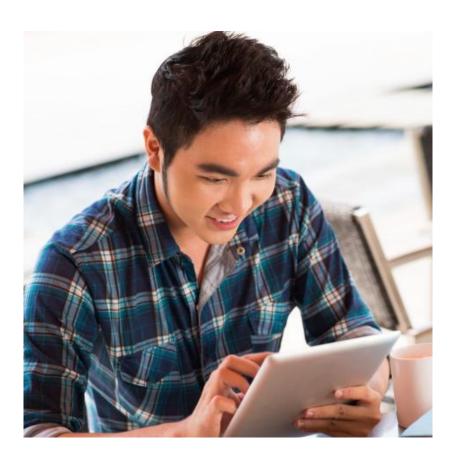

College courses must be weighted equally to the greatest weight of Advanced Placement, International Baccalaureate or honors classes, in the same subject area.

AP, IB, Honors Class

**College Course** 

# **Grades are Applied to Graduation Requirements**

The grade you earn in the college course is applied to your high school graduation required class.
