

Dear Parents of Seniors:

We realize that this time of year is an exciting time for seniors and their parents, and we are happy to announce the particulars for this year's Senior Awards Ceremonies. The MCCTC Administration and Board of Education have worked together to, once again, ensure celebrations that will recognize the achievements of our incredible seniors separate from their home school graduation.

In planning this year's ceremonies we once again had to deal a bit with the remnants of COVID. Off campus venues simply were not an option; however, we also realized that the very conditions that prompted us to return to campus allowed us to celebrate in a way we have never been able to before, making the past three Awards Ceremonies more memorable and individualized for each of our seniors. Those variables, combined with logistics, contributed to the final plans for the 2023 Awards Ceremonies, once again being held on our campus, allowing you to honor the accomplishments of your child. The particulars are outlined below:

The Awards Ceremonies will be held on **Wednesday, May 24, 2023 at MCCTC**. Each academy will have a specified time of recognition as follows:

Academy	Ceremony	Arrival Time
Machine	8 a.m.	7:30 a.m
Arts	10 a.m.	9:30 a.m
Global	Noon	11:30 a.m.
iCONS	2 p.m.	1:30 p.m

Seniors of each academy will be permitted on campus ONLY during the above hours. There will be one entrance and exit to direct students in and out of the ceremony.

Participating seniors will be issued a number that will serve as admittance for his/her guest vehicles, and that same number will also assist in parking, the students' processions, and exiting. THOSE NUMBERS and further instructions WILL BE MAILED TO YOU BY MAY 10. To further ensure the safety of all, staff members posted at the authorized entrance will have a list of the issued student numbers to verify the accuracy of incoming vehicles. Any unauthorized vehicle/guests will not be permitted to enter.

Each senior is allowed two guest vehicles in the lot that hold themselves and friends and/or family members; (riders in the back of a pickup truck are prohibited). Seniors must arrive in one of those two vehicles and will be led to the designated door of their procession. *We realize that for varying reasons more than one household per student may be receiving this information. As an administration and staff, we trust that you, with your child, will determine the occupants of both vehicles on campus to be sure every senior has the opportunity to share the event with loved ones.**

The above decisions were determined by the administration and Board of Education based upon the logistics of our campus. The only entrance and exit is on Palmyra Road. Also the outdoor area for the ceremony is limited to the amount of spaces for vehicle parking and guest viewing. If weather conditions force the ceremonies to be held indoors, that space is also limited.

A final note: MCCTC Senior Awards Ceremonies date and times have been planned to avoid conflict with those for our home schools' Graduation Day requirements. Please be sure to consult those individually for your child's graduation dates, times, and requirement information.

A more detailed list of particulars accompanies this letter. Please review those carefully.
