This scholarship is open to all senior students in all programs at MCCTC. Preference will be given to those students from the Youngstown City School District. All applicants will be interviewed for consideration at MCCTC. In addition, the student chosen to receive this scholarship is asked to attend a Sunday morning worship service at Trinity United Methodist Church to receive the award.

****The Chris Yambar** scholarship was established in memory of Christopher D. Yambar, who was a graduate of the MCCTC (MCJVS) Commercial Art and Graphic Arts programs. Rev. Mr. Yambar was a writer, painter, teacher, and minister who worked professionally in the Commercial Art area for several years. Known for his diversity, he ultimately created his own children's book, comic books, and graphic novels and became a popular long standing writer for many mainstream comic book characters, including Popeye and The Simpsons. He produced over 5000 Pop Art paintings over a 30-year period. His work is in museums and private collections across the country. He was a knowledgeable, thoughtful, entertaining orator as well, whether contributing to panel discussions, teaching art classes, speaking at graduation ceremonies, or delivering a church sermon. Mr. Yambar was a tenacious self-motivator; a voracious reader, wanting to glean everything possible about his subjects; a creator who understood the Business of Art and who cared about his clients' and fans' satisfaction with his product; and a leader with a sensitive heart and generous spirit.
