

IMPORTANT INFORMATION ABOUT YOUR STUDENT'S MEAL ACCOUNT

IMPORTANT: If your student is new to the district you must register for a Payschools account using the student ID number found on their class schedule. If you have an account with your home school it WILL NOT transfer to MOCTC or STEM

IMPORTANT: For STEM students moving to MOCTC you will need to register for a new Payschools account using the new student ID number found on their class schedule. Your account WILL NOT transfer from STEM to MOCTC.

****** You will need to use a different email address from the one used on the previous Payschools account.

If you were a STEM student who is now a CTC Student your positive or negative balance from your STEM account has been transferred to your New CTC account. Leftover funds from a home school cannot be transferred to MOCTC or STEM. Contact your home school for a refund.

How to add money to your student's meal account

After you have an account registered with Payschools you can go to www.payschoolscentral.com or use the Payschools Central App to manage funds. There will be a service charge each time you add funds to your Payschools account. There are No service charges if you pay by cash or check at the cafeteria registers.

Make sure you are logged into the account you have created for Valley STEM or MOCTC and not your homeschool account.
